THE INVITATION

More Than a Documentary...

Broken But Unbreakable™ is more than a documentary—it is an invitation.

Through one woman's journey of devastating loss, healing, self-discovery, and transformation, the series explores a universal truth:

While every story is different, the capacity to rise exists within every human being.

THIS IS NOT SIMPLY A STORY ABOUT WHAT WAS LOST.

It is a story about what can be found.

It is about choosing hope over despair, purpose over pain, and creating a new beginning when life doesn't go according to plan.

YOUR STORY MATTERS. YOUR STRENGTH IS GREATER THAN YOU REALIZE. YOUR RISE IS STILL POSSIBLE.

THE BEGINNING

One Story. A Universal Truth.

After losing nearly everything to one of Canada's largest investment frauds, Michelle Perrier / Angele Michelle begins an unexpected journey of healing, self-discovery, and transformation.

Refusing to let loss define her, she rebuilds through music, writing, storytelling, and the creation of Broken But Unbreakable™.

DIFFERENT LIVES.
DIFFERENT LOSSES.
DIFFERENT PATHS FORWARD.

One shared capacity
to rise.

Her story becomes the doorway into something larger: the extraordinary resilience of the human spirit.

Why This Story Matters

Every person carries a story. Some are shaped by joy. Others by heartbreak. Some are marked by triumph, while others begin in moments of unimaginable loss.

What began as a deeply personal journey became something greater: the realization that while our circumstances may be different, many of the struggles we carry are deeply human.

LOSS

BETRAYAL

GRIEF

ILLNESS

ADDICTION

FINANCIAL DEVASTATION

TRAUMA

UNCERTAINTY

This documentary is not about defining people by what happened to them.

It is about discovering who they become because of it.

THE QUESTION AT THE HEART OF THE SERIES

WHEN LIFE CHANGES EVERYTHING...

WHO DO WE CHOOSE TO BECOME?

Broken But Unbreakable™ looks beyond the event that changed a life and toward the person who emerges afterward.

Sometimes healing is not about returning to who we once were.
It is about becoming who we were always capable of being.

Survive • Heal • Rise • Thrive

01

SURVIVE

When simply making it through becomes an act of strength.

02

HEAL

Facing what happened, honouring what was lost, and slowly finding your way back to yourself.

03

RISE

Reclaiming your voice, your identity, your choices, and the future that still belongs to you.

04

THRIVE

Living beyond the wound with purpose, connection, freedom, and hope.

THE CIRCUMSTANCES ARE DIFFERENT. THE JOURNEY IS DEEPLY HUMAN.

A person is walking away from the camera on a gravel path that leads towards a body of water, likely a lake or a wide river. The scene is set during sunset or sunrise, with a warm, golden light illuminating the sky and the water. The person is silhouetted against the bright light. The path is flanked by a rocky, grassy bank on the left and a stone wall on the right. In the background, there are rolling hills and mountains under a sky filled with soft, orange-hued clouds.

THE STORIES WE'LL TELL

Different lives. Shared resilience.

Broken But Unbreakable™ begins with one story—but it is designed to create space for many.

The series will explore people who have faced life-changing adversity and the deeply personal ways they have survived, healed, rebuilt, and moved forward.

NOT EVERY STORY ENDS NEATLY.
NOT EVERY WOUND DISAPPEARS.
NOT EVERY PERSON RISES IN THE
SAME WAY.

That is precisely the point.

The series is interested in the truth of rebuilding—not perfection.

REAL PEOPLE. REAL ADVERSITY. REAL RESILIENCE.

A group of people are seen from behind, standing on a hill and looking out at a sunset over a city. The sun is low on the horizon, casting a warm, golden glow over the scene. The people are silhouetted against the bright sky. The overall mood is contemplative and hopeful.

THE PEOPLE BEHIND THE PURPOSE

Because every person carries
a story we may never see.

This series is for those still surviving, those quietly healing, those learning to rise, and those discovering what thriving means for them.

Broken But Unbreakable™ creates room for the parts of the human experience that are often hidden behind closed doors, polished appearances, and the simple answer:

“I’m fine.”

The purpose is not to reduce people to what happened to them.
It is to honour the courage involved in what comes next.

HOW IT SHOULD FEEL

Visual Tone & Storytelling Style

CINEMATIC

INTIMATE

HUMAN

REFLECTIVE

EMOTIONALLY HONEST

HOPEFUL

The storytelling may weave together personal testimony, quiet observational moments, reflection, place and environment, archival material where appropriate, music, writing, and the rebuilding of everyday life.

The camera should never chase pain for spectacle.

The story is in the humanity.

Why Now

More people than ever are navigating uncertainty, reinvention, grief, financial hardship, trauma, loneliness, and lives that no longer look the way they expected.

Broken But Unbreakable™ enters that landscape with a different question.

NOT:

“What happened to you?”

BUT:

“What happened next?”

People need more than stories of adversity. They need stories of what rebuilding can look like.

FROM ONE STORY TO SOMETHING BIGGER

More Than a Documentary. A Movement.

Broken But Unbreakable™ has grown beyond a single story.

Each expression carries the same purpose: what happened to you does not have to be the final definition of who you become.

The documentary series brings that message to screen.

Project Status

Broken But Unbreakable™ is currently in development.

The project has begun establishing its story, visual identity, purpose, audience, and broader creative world.

The next stage is about moving from concept and development toward the production of a documentary series capable of telling these stories with the care, quality, and emotional depth they deserve.

DEVELOPMENT

A person with a backpack is walking away from the camera on a gravel path that leads towards a sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. In the background, there are rolling hills and a body of water. The sky is filled with soft, orange-hued clouds. The overall mood is contemplative and hopeful.

WHY SUPPORT MATTERS

Help Bring the Stories to Screen

Every documentary begins long before the cameras roll.

Support helps create the foundation required to move the project forward—from development and planning through storytelling and production.

But the deeper purpose is larger than making a film.

“If they found a way forward...
maybe I can too.”

A platform for recognition, connection, and possibility.

THE WOMAN BEHIND THE STORY

Michelle Perrier / Angele Michelle

Author • Recording Artist • Founder of Broken But Unbreakable™

Broken But Unbreakable™ began as a deeply personal response to loss and rebuilding.

Through writing, music, storytelling, and documentary development, Michelle has transformed that experience into a growing body of work centred on resilience, healing, purpose, and the human capacity to rise.

Her role is not to present herself as someone who has all the answers.
It is to begin the conversation.

SOMETIMES LIFE BREAKS THE PLANS WE MADE...

SO WE CAN DISCOVER
THE PURPOSE
WE WERE MEANT TO LIVE.

BROKEN BUT UNBREAKABLE™

YOUR STORY • YOUR STRENGTH • YOUR RISE

Every story has value. Every voice deserves to be heard. Every person has the capacity to rise.
